

Pricing Information

All courses are based on a minimum party of 10 students. If your group number falls below 10, your group visit will be subject to the minimum rate for your chosen itinerary.

For in-person courses the first two group leaders are free, excluding catering costs; each additional group leader is priced at 50% of the student fee, excluding catering costs.

If our courses are not within your budget we would still love to explore ways of working with you. Please get in touch at courses@wordsworth.org.uk to start the conversation.
